

ALBRECHT SCHWEGLER RIESLING WÜRTTEMBERG RESERVE 2022

Super bright, with vibrant Amalfi lemon and flint aromas, then it's both racy and substantial on the well-structured, medium-bodied palate. The oak tannins are already so well integrated, yet this is only just beginning to really shine. Long, very minerally finish with considerable complexity. From a vineyard in the commune Beutelsbach. Fermented and matured in 500-liter oak casks. Drink or hold.
