

ALBRECHT SCHWEGLER WÜRTTEMBERG BERYLL 2020

A very sophisticated red wine when you consider that this belongs to the fourth-quality tier of this producer. Lots of dried thyme, graphite, baking spices and raw meat overlaying wild blackberry fruit and a wealth of savory character. Very harmonious, moderately dry finish. An unconventional cuvee of 73% zweigelt and 27% cabernet franc matured for two years in second- and third-use oak barriques. Bottled unfiltered and unfined. Drink or hold.
