## ALBRECHT SCHWEGLER WÜRTTEMBERG SAPHIR 2022

I love the concentration, plushness and polish of this deeply structured, medium- to full-bodied Württemberg red. Its interplay of ample fine tannins and dark fruit make it resembles a Bordeaux blend, but the notes of gingerbread and baking spices are a world away from anything French. Very subtle and complete finish. A cuvee of 62% zweigelt, 11% merlot, 9% cabernet franc, 9% lemlberger and 9% cabertin that matured in a mix of 70% used barrels and 30% new barriques. Bottled unfiltered and unfined. Drink or hold.
