

ALBRECHT SCHWEGLER WÜRTTEMBERG SOLITÄR 2015

For anyone who loves Vega Sicilia Unico, here is an insanely beautiful German take on the same idea of a tannic red that undergoes very long barrel aging. Incredible nose of cocoa powder, soy sauce, bark and dried orange peel. Gigantic concentration and substantial richness on the full-bodied palate, but this is decisively dry, without the slightest hint of opulence. Mind-blowingly intense and complex finish. A limited production cuvee of 35% zweigelt, 20% merlot, 20% syrah, 20% cabernet sauvignon and 5% cabertin that was matured for eight years in oak barrique casks. Bottled unfiltered and unfined. Drink or hold.
