ALBRECHT SCHWEGLER WÜRTTEMBERG BERYLL 2019

For a second wine this has terrific concentration and generous plush tannins that give it an imposing stature and presence. In spite of this it is so wonderfully fleshy. So much black berry fruit as well as a spice and savory character. Everything fits so well! Fantastic balance at the very long structured finish. A cuvee of the Austrian zweigelt and blaufränkisch grapes with the French merlot and cabernet franc plus the Swiss cabertin. Drink or hold.

ALBRECHT SCHWEGLER WÜRTTEMBERG GRANAT 2019

If you didn't know that this was a German wine it would be very hard to believe that's what it is! Such an imposing tannin structure, such great concentration, and such dark berry, bark and forest floor aromas. But this also has a wonderful underlying freshness, which gives it immense drive at the finish where the berry fruit is stronger than the spicy oak and firm tannins. An unconventional blend of the Austrian zweigelt and blaufränkisch grapes with cabernet sauvignon and merlot. Drinkable now, but best from 2026.

ALBRECHT SCHWEGLER LEMBERGER WÜRTTEMBERG 2020

This deep and savory leemberger easily carries the smoky oak and aromatic darkness that results from generous extraction during the fermentation. The plush tannins are married to rich fruit and a self-confidently dry personality. Quite some roasted meat character at the bold finish. From a high-altitude, south-facing, windy site. Drink or hold.

ALBRECHT SCHWEGLER PINOT NOIR WÜRTTEMBERG RESERVE 2019

This stunning pinot noir from the underrated Württemberg region (better known for Mercedes Benz) is ripe and generous, in the way that reminds me of 1er Cru wines from Vosne-Romanee in Burgundy. Packed with fine tannins that beautifully balance the black cherry fruit, pronounced rootiness and delicate spice. Very long finish that's at once velvety and bright. Great aging potential. Drink or hold.

ALBRECHT SCHWEGLER CHARDONNAY WÜRTTEMBERG RESERVE 2021

A complex and concentrated chardonnay with a terrific structure from the underrated Württemberg region of Germany. The balance of restrained power and chalky freshness is very much what made white Burgundy famous. Although there's some vanilla oak aroma, the fresh almond and hazelnut character is more intense. Great depth at the very long, powerful finish. Matured in 40% new barriques and 60% barrels used once before. Drinkable now, but best from 2025.

ALBRECHT SCHWEGLER RIESLING WÜRTTEMBERG RESERVE 2021

This Württemberg dry riesling has GG format. Complex nose of flint, lime zest and wild herbs. Very salty on the compact and highly structured, medium-bodied palate. Only just beginning to open up, and surely has great aging potential. Very long, salty and crisp lemony finish. From 47-year-old vines in a hollow that's well protected from the wind. Unfiltered. Drink or hold.

ALBRECHT SCHWEGLER WÜRTTEMBERG VON DEN PARZELLEN WHITE 2022

This dry white is simultaneously supple and lively with impressive substance and precision for an entry level wine. A range of stone fruit and white tree fruit aromas, but not a jot loud. Plenty of leesy complexity from long sur lie maturation plus pronounced fresh walnut and candied lemon notes. Long finish that's underlined by the fine tannins. An unconventional cuvee of Riesling, Chardonnay and Pinot Gris. Drink or hold. Screw cap.
